

VISTARA

The Vistara Collection captures the calm and warmth of twilight—the moment when spaces come alive with a softer glow. Designed exclusively for commercial and hospitality interiors, these hand-knotted carpets and rugs bring a balance of durability, modern elegance, and heritage craft. Each piece is made to withstand high footfall while adding a sense of quiet luxury to hotels, lounges, and curated spaces. With both ready selections and full customization in size, color, and design, Vistara lets you shape each interior with its own unique story

Zafira

Zafira captures the essence of timeless artistry with its serene blue base and intricate golden-beige motifs. The design reflects a harmonious balance of tradition and sophistication, evoking a sense of regal elegance. Perfect for interiors that celebrate heritage while embracing a touch of modern refinement.
